Rio Rancho Schools Seek Local Families for Exchange Students

Rio Rancho's high schools are looking for a few good families who would like to share their home and family life with a high school student from another country.

Ten organizations that bring students from around the world to study at high schools in the United States have been invited to place students in Rio Rancho high schools next year. Rio Rancho families interested in hosting an exchange student for a semester or a year should contact the approved representatives directly. Organizations strongly recommend beginning the application process right away rather than waiting until summer.

The following organizations have been approved by Rio Rancho Public Schools to help those who wish to host an exchange student during the 2009-10 school year:
