

Students, Staff & Parents:
**Donate your used glasses in the
ReUse Eyewear Box as you enter
your school.**

Your used eyewear can make a world of
difference to someone who
can't see clearly.

Did you know that around the world over 250 million people suffer from poor vision because they have no access to or they cannot afford eye care? A simple pair of glasses provides a child with the ability to learn in school and enables an adult to find a job and enjoy independence and increased quality of life.

RRPS will be accepting your donations of used prescription glasses, bifocals and non-prescription sunglasses. These glasses are cleaned, repaired and hand-delivered to those in need. From ThxGiving week to Valentine's Day, there will be a **ReUse Eyewear Box** at your school.

*Thank you for your donation to
ReUse Eyewear!*
