

RAVENS WILL **SOAR!**

Safety

On Time

A+ Attitude

Respect / **R**esponsibility

All students at Cielo Azul will be guided with Positive Behavior Support (PBS). PBS is a school-wide system that supports a positive environment, and in turn supports student achievement both socially and academically. Your Cielo PBS Team has started meeting and planning for the momentous beginning of Cielo Azul. While most students coming to Cielo Azul have been introduced to PBS at Colinas del Norte, their experience will be further enhanced at Cielo Azul. The Cielo Team will be training and preparing all Cielo staff for using PBS. In addition, all Cielo students will be taught the PBS expectations for the various areas of our school campus, such as appropriate behaviors on the playground. PBS is a pro-active approach that emphasizes positive behaviors with rewards and reinforcements. PBS uses effective strategies that also deter negative behaviors. The results include less negative discipline referrals and greater positive recognition for students. We at Cielo Azul strongly believe that when children are **Safe** and **On Time**, have an **A+** Attitude, and demonstrate **Respect** and **Responsibility**, they will also **SOAR** with their academic learning! Stay tuned for further updates as we get closer to the exciting opening of Cielo Azul!!!

Cielo Azul PBS Team:

La Vonna Archuleta, Principal

Michael Hecht, 4th Gr.

Melissa Ross-Perez, Counselor

Bruce Torres, 3rd Gr.

Mary Mason, Kindergarten

Melanie Kotila, 3rd Gr.

Lindsey Nelson, 2nd Gr.

Elaine Zelany, EA

Mary Ann Kuechmann, EA

Margaret Varela, Teacher
