

Dear Parents,

Welcome to first grade! Our team is excited about getting to know all of the first graders! We know there are many expectations. You should have received a brochure with your child's report card that goes over our expectations. If you were not here last year, please see the office for a First Grade Informational Phamphlet. The single most important thing that you can do for your child this summer is to read with them several times each week. This will prepare them to become independent readers next year. Finally, all parents are required to pay a \$25 supply fee at the beginning of the school year. This money needs to be paid when you bring your child to school to be tested or during the first week of school . It covers all of your child's school supplies except their backpack. Please let us know if you have any concerns about this period of transition. We want things to go as smoothly as possible for all of our children. We look forward to working with you and your child this year!!

The First Grade Team

Dates to Remember:

Sneak Peak	To be announced
1st Grade Testing	August 14-18
First Day of School:	August 19
