Each year, 12 million students come together for The Leukemia & Lymphoma Society's School & Youth<sup>SM</sup> Programs to further an important cause: finding a cure for blood cancers. Through meaningful service and cooperative team work, kids across the country have raised more than \$100 million over the past 14 years, proving they can make difference in the lives of others. With the help of Key Club, at Cleveland HS, we will be participating in the School & Youth programs. Each class was issued a collection box to collect spare change. At the Mid High we collected over \$2500 in just the past few years. I believe Cleveland HS can top that. If your class does not have a box and you want to participate, please contact a Key Club member or Denise Pazand Key Club sponsor.
