

V. Sue Cleveland High School Storm Band Program

I am very excited to help establish a brand new band program! As band parents and band students, you will have the rare opportunity to begin new traditions and build a foundation of excellence that will last forever. We are all about to embark upon a once in a lifetime opportunity!

As with any new program we anticipate many questions. It is our desire that we will do our best to keep everyone informed as we draw closer to band camp and the opening of our school in August.

Next year will certainly be a grand adventure. It is our desire to lay the foundation for a quality instrumental arts program with high goals and lofty expectations. Much of the groundwork has already been accomplished. Needless to say, I am now certainly ready to have students in place and to get started!

I know there will be a great deal of people who will play a major role in establishing this new tradition of excellence including students, parents, administrators, and community patrons. I look forward to meeting and working alongside each of you to create worthwhile and memorable experiences for our young musicians.

Remember, the 'Storm' is coming...are you ready?

Sincerely,

Keith A. Gilbert
