

# Rio Rancho Cyber Academy 2009 Summer School

Online opportunity for RRMH 8<sup>th</sup> grade students to recover Math and Language Arts  
*Ensuring student success and preparation for high school*

Click on the matching expression.

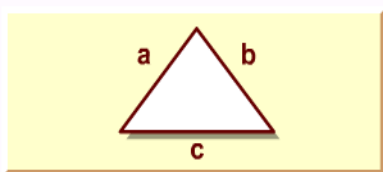

The product of a number and -9

A -9n  
B -9 - n  
C -9 + n  
D -9 ÷ n  
E None of these

The word "product" tells you what operation to use.

A triangle has 3 sides. Therefore, the perimeter of a triangle is found by adding the lengths of its 3 sides.

$$P = a + b + c$$

arc  
bisect  
chord  
coordinates  
equilateral  
exponent  
hypotenuse  
intersecting

## June 1 – July 3

Session 1	Session 2
9:00 – 12:00	1:00 – 4:00

SkillsTutor is the Web-based version of a comprehensive basic skills software program. SkillsTutor is a straightforward approach that helps students to achieve mastery.

- Direct, strategic, individual instruction
- Regular assessment
- Immediate reinforcement
- Thorough review
- Students must attend regularly-one absence permitted

- RRMH counselors will assign required courses to 8<sup>th</sup> grade students needing recovery classes to pass into 9<sup>th</sup> grade**
- \$50.00 Fee charged payable to RRPS by money order before June 1 at RRMH to ensure placement**

Sessions assignments and time may change based on numbers of students who enroll. RRCA requires that all students sign a behavior performance contract and an appropriate use of technology statement. No busses are provided during summer school.
