

Saturday Tutoring at the RR Library

The Rio Rancho Library located on Loma Colorado now has volunteer RRHS National Honor Society students working on Saturday afternoons from 1:00 to 4:00. These student volunteers can help MH students with homework, research projects, and other academic endeavors during this time. This is a drop-in session; there is no need to request the time in advance. This program is open to both 8th and 9th grade students. The contact at the library for this program is Lori Snyder. She can be reached at 891-5013, ext. 3032.

Star Heights Learning Center

The Star Heights Learning Center is located at 800 Polaris (community center/skate park) in the Star Heights sub division. This program is also run by the Rio Rancho Library system. Hours are from 2-6:00 pm on week days. Students are able to get tutoring/assistance with homework, check out books, use the computer and internet, and have access to a printer. Adults supervise and tutor students. This Learning Center does have a classroom set of all books for both 8th and 9th grade core classes. The contact person for this program is Chris Porter at 891-3938.

Rio Rancho Boys and Girls Club

The Boys and Girls Club offers a "Power Hour" tutoring and homework club from 3-6:00 pm on week days. In order to participate, there is a \$25.00 membership fee to participate in Boys and Girls Club activities. This membership fee allows students of all ages to not only participate in the Power Hour, but also other social activities as well. For additional information on the Power Hour, the basketball leagues starting up on January 5th, and other Boys and Girls Club activities, contact Brian Gustafson at 892-31-91. The Boys and Girls Club is located at 4600 Sundt Road NE.

Private Tutors

Two tutors were involved in after school tutoring last year who are reputable that I would recommend include:

- ✓ Michael Tatham (adult-AVID tutor who comes to the school). 410-9277.
Cost: ? contact him by phone.
- ✓ Odille Myers (RRHS senior & honor student): 220-0815 or 891-0454.
Cost: \$10 per hour.

Arrangements need to be made with these tutors by parents to discuss where, when, etc. There are others out there as well; however, I'm not familiar with them. If you know of others, please contact me and I'll forward info to staff or parents when I can
