Dear Parents,

Please understand that the school district is paying thousands of dollars to have a marching band drill written for our band. It is therefore very important that we know exactly how many students must be charted in the show. Any deviations in enrollment will require re-writing the entire drill, which will cost the school potentially thousands of more dollars. Please understand that, once committed, your child will be expected to remain in marching band for the entire season.

“I have read the above and understand that my child has committed himself/herself to be a part of the Rio Rancho High School Band Program. I will not allow my child to drop out of Marching Band before the end of the season. I further understand that, if my child insists on dropping marching band before the end of the season, he or she will be removed from concert band.”
