Finals during periods 1-3-5-7 Meaningful activities other periods.	Finals during periods 1-3-7 during the first 3 periods of the day. Dismissal at 9:55 am.	Make up day (no busses)

This schedule accommodates teachers that need more than one period to assess a full semester of curriculum. In essence, you would create a 2-part final exam, one part administered on each of the two available days. If a teacher only needs one period to administer their final it is expected that the teacher would schedule the final on the second of the two available days.
