

Rio Rancho Public Schools Parent Waiver and Consent to Use of Student Information and Images on the RRPS Website

Many programs, activities, and events taking place in the Rio Rancho Public Schools are of interest to the public. Often civic, athletic, educational, fine arts or other organizations are interested in learning about our students and programs. From time to time, we record digital images of students participating in these events and desire to share these with the community via our website (district or school levels) to provide information to the public about our programs and services.

Given the global nature of the internet, RRPS has policies that prohibit the posting of any student images or identifying information on our website without expressed written permission from the parent. It is our intent to aggressively protect student and family rights to privacy, and endeavor to publish student work and accomplishments on our site only as a means of sharing students' successes with our community. Please visit our website (www.rrps.net) to view our specific policies regarding the protection and sharing of student information (#326, #327) and our web policy (#479).
