

What I Need to Know Math

- Power Standard 1: I need to learn how to count, write and make numbers to 1000.
I can do this by:
 - Counting by 5's, and 10's
 - Counting by 2's
 - Counting forward and backwards
 - Counting 50 things
 - Reading and writing my numbers
 - Making numbers with place value blocks
- Power Standard 2: I need to learn how use different ways to solve addition and subtraction problems.
I can do this by:
 - Using the number line, number grid or addition table to solve problems.
 - Completing fact families
 - Showing my answer with pictures and words
- Power Standard 3: I need to learn how to see, tell and make patterns.
I can do this by:
 - Counting on the number grid forwards and backwards by 1's, 2's, 5's and 10's and see the pattern these numbers make.

- See and complete patterns that are made up of colors, shapes, numbers and tallies.
- Power Standard 4: I need to learn how to count money and tell time.
I can do this by:
 - Counting pennies, nickels, dimes and quarters
 - Telling time to the hour and half hour
- Power Standard 5: I need to learn how to read a graph.
I can do this by:
 - Answering simple questions about graphs.
