

Rio Grande Educational Collaborative Summer Program at Stapleton

Looking for a fun, enriching, educational summer program?

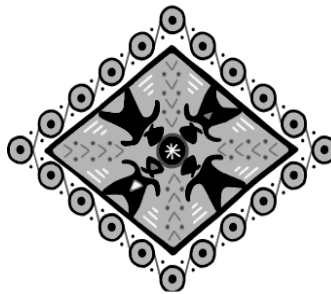

The Rio Grande Educational Collaborative is offering a six-week program that will involve both academic and enrichment activities for K-6th graders. Students will have the opportunity to plunge into exciting hands-on literacy activities, create awesome art projects, investigate scientific concepts, enjoy making yummy, nutritious snacks, & stay healthy & active all summer!

We will be offering a full-day & half-day program, Monday thru Friday, where students will rotate between a wide variety of activities such as literacy, math & science, arts & crafts, nutrition & cooking, physical fitness & sports, and much more! The program is split into two-week blocks centered around different themes-- students can sign up for one or two blocks, or come for the full six-weeks!

<u>Program</u>	<u>Schedule</u>	<u>Fees</u>
Full Day	M-F 8:30-5:30	\$90/wk
Half Day	M-Th 11:00-5:30 F 8:30-5:30	\$80/wk
