- *Sept.15, Family Fun Night*

### **What's happening in Room D14**

- The last two weeks have been great, getting to know the kids, learning their names, and setting the routine for the day.
- The alphabet is being introduced and we are reading alphabet books , singing songs and constructing the alphabets with different materials.
- We are working on recognition of our first name.
- Working on airplanes have lead to discussions of plane rides, parts of planes, how they work and making their own planes.
- Today, we plan to go for a picnic with our bears and experience the outdoors.
- Please continue the house hunt with your child relating to the letter of the week.

### **Parents, please note ...**

- Please send in \$30 for supplies, if you haven't already. Also, please send in \$10 at the beginning of each month for snacks.
- Please apply sunscreen to the kids before they come to school.
- Scholastic book orders take two to three weeks to come in. Do not send cash. Please write checks to Scholastic only .
- PTO: please join the PTO and attend PTO meetings to show your support.
- *Please check backpack folders every day.*
- *Volunteer forms are being sent home. Please complete and return.*
- *Library starts on Sept. 8th. Please remind students to return books the following Monday.*
- *We want to thank Mr. Stader (Ms. Stacie's husband) for being our guest speaker and answering countless questions relating to airplanes.*
- *We would appreciate if any parents in the profession of construction or building could come and present to our class.*
