

OCTOBER NEWSLETTER

Greeting's Families!

We are beginning a new month at the preschool! The "theme" for the month of October will be all about Fall. We will be busy learning about apples, pumpkins, and hot air balloons. We will be creating some fun art activities that should keep us all busy and you may begin to hear some new songs being sung around the house.

We have all been enjoying getting to know each other and what a treat it is to see their smiling faces each day. They have all adjusted beautifully to the classroom routine, schedules, and expectations. We are especially working on interacting with our friends, making requests using either with Picture Exchange Communication System or appropriate words to get toys and taking turns.

One area that we are working extra hard in is how to pick up when you are done playing and ready to move on to another activity. This can be practiced at home as well! One strategy I use is to pick a song that will only be used for clean-up time. Give it a try. Remember, it will take some practice at home but wouldn't it be great! Let me know how it goes.

LIBRARY AND THERAPY SCHEDULE

Here is our current schedule for our therapy groups.
