

Dear Families,

Hello! My name is Rebecca Pierce and I am so excited to be your child's preschool teacher. I have 15 years of teaching experience and have a Master's degree in Early Childhood Education.

My youngest son attended Shining Stars last year and I had the wonderful opportunity of being a parent helper. Rest assured that I will make every effort to support your child's learning and assist you in that endeavor in any way I can.

Vickie McCool is my teaching assistant. She has 9 years of early childhood experience and is quite honestly one of the most nurturing and caring people that I know.

We look forward to working closely with you to make your child's educational experience a positive and exciting one. Please feel free to contact us at anytime with questions or concerns as they arise.
