

# Shining Stars News

from Ms. Rebecca and Ms. Vickie

by: Emma

## Information and Reminders

Tomorrow we begin show and tell and star helpers. Each day a child will be assigned to bring something they'd like to share from home.

This may be a toy, family photos, or a favorite collection, etc. They will also be the line leader, and helper during other activities. Please refer to the calendar for your child's date.

As per the parent handbook, flip flops are considered unsafe for running, climbing, etc. Sturdy shoes are recommended (socks also help keep sand from bothering little feet).

## September in a Nut Shell

This month we will begin our library schedule. Each week children will visit the Shining Stars Family Literacy Center for storytime or check out. Our library days are Tuesdays starting in 2 weeks. We will also be scheduling weekly visits to our Computer Lab. Our lab days are Thursdays.

## What We're Learning

This month we are focusing on name recognition, safety, sharing, friendships, shapes and colors, and hand washing/bathroom etiquette.
