

OCTOBER NEWSLETTER

B.J Toledo and Laura Gonzales

Theme

It has been a great start to the school year. We have finished up our Water Exploration, which the children seemed to really enjoy. Our next topic of interest will be focused on Wind and Air. Within the unit we will introduce and discuss:

- *hot air balloons
- *wind power
- *pumpkins
- *positional concepts (in, out, on, off, etc.)
- *beginning letter sounds
- *color orange and black
- *rules and jobs of the classroom

Nursery Rhyme

Please keep reviewing nursery rhymes at home. By doing this, you reinforce what we are working on in the classroom. We will be working on Little Miss Muffet and The Itsy Bitsy Spider.

Calendar

Please look at the calendar that's attached. There are special days that the children are asked to either bring or wear something special. Our costume party is scheduled for the 23rd

(AM: 10-11, PM: 2:15-3:15). Please make sure that costumes are age appropriate. Volunteers and treats are welcome. Please let us know in advance so that activities can be planned accordingly. We are also looking for 2-AM and 2-PM volunteers to run our obstacle course for the Fall Carnival, which is on Friday Oct. 16th(AM: 8:30-11, PM: 12:45-3:15). Please let us know if you are available.

*Volunteers need to have turned in their district volunteer form and it needs to be approved before being allowed to volunteer in the classroom.

Items We Need

Thanks to all of the parents who donated the items we were looking for. It has been very helpful. We do have some coloring that needs to be done. If you enjoy coloring and would like to take some home to complete for the classroom, it would be greatly appreciated.

Library

Just a reminder: Both classes have library every Friday. Please help the children remember to bring their books back to school on Thursday, before their library day. Thanks

Extra

Just a reminder: If your child is showing any signs of sickness please keep them home until they are looking and feeling better. This will help contain and stop the spread of sickness during this cold and flu season. Thank you.

*Please remember to read with your child every night.

If you have any questions or concerns, please feel free to come in or call. Thanks
