

# October

Teacher- Talia Bonahoom  
Educational Assistants- Theresa Lopez-Wood and Bryn Livingston

## This Month in our class:

Fall is here and with it brings cooler weather. Make sure to dress your child warm enough so that they will be comfortable playing outside in the chilly weather. This time of the year brings about harvest of fall vegetables and the changing color of the leaves. We will be talking about these things this month in our class.

## Library

Library will continue to be on Fridays but Mrs. Sarah told us that it would help her out if we could return our books on Thursday. She has so many books to check in that it makes it a little hectic on Library Day.

## Illness

If your child is sick it is **VERY** important that you call me in the classroom (Ext.113) and leave a message letting me know the nature of the illness, I will let the office know for attendance reasons so that you do not need to call twice. We have several children with weakened immune systems and those families need to know what is going around, even if its just a tummy ache or a fever.

## Fall Carnival

October 16th is our fall carnival. During the school day we will have games, horse rides, looking zoo, and other fun things. **We need at least one parent volunteer** from our class in the morning and one in the afternoon to help with our photo booth.

## Fees-

Monthly snack fees are due. Send \$10 cash or check made out to Shining Stars Preschool. If your child only attends 2 days a week it is \$5.

## Important Dates

- ☉ 10/2 Balloons Aloft
- ☉ 10/6 PTO Meeting
- ☉ 10/8–10/9 Fall Break
- ☉ 10/16 Fall Carnival
- ☉ 10/20 Family Night
- ☉ 10/26 School Pictures
- ☉ 10/29-10/30 Parent Teacher Conferences

## Family Involvement

Thank you so much to the parents that have been volunteering in the class. We really enjoy having you here and so do the children.

We have started a class rock collection. If you or your child find rocks that you would like to share with the class, send them in your child's backpack (even if they are plain or ugly!). If you have a special rock that you would like returned, include a note telling us so.
