Watch the Mail for Your Student's Bus Card!

Bus Cards for returning and pre-registered students who are eligible for bus transportation to and from school will be mailed out to the home addresses of students no later than August 4, 2017. The bus card is located at the bottom of an informational letter that is being mailed in a distinctive envelope which contains the School District Logo, the Department of Student Transportation return mailing address, a yellow school bus, and the words "Your Student's Bus Card Enclosed."

Parents are requested to put the bus card in a safe place and give it to their student to present to the bus driver the first time that they ride the school bus in the new school year. The bus card is on a perforated form that can be folded and torn off for easy handling.

If you have questions regarding transportation services for your student or do not receive a bus card by August 4, 2017, please call the Department of Student Transportation at 338-0078.
