About School Supply Lists

Each year parents are asked to provide basic school supplies for their children such as paper, writing utensils, and notebooks. These supplies vary from grade level to grade level and from school to school, and sometimes individual teachers and courses have special requirements.

Rio Rancho elementary and middle schools provide information at registration and on their websites listing what supplies are required for their students. These lists are available before the state's annual back-to-school tax-free holiday in August.

High schools generally do not post grade level lists because the needs vary considerably from course to course. Teachers will inform students at the beginning of the semester what specific supplies they will need; however, parents can purchase basic supplies such as pens and pencils, notebook paper, and rulers in advance.

Many local organizations donate school supplies to Rio Rancho schools to help families in need who cannot afford to purchase supplies. Families who need assistance and parents with questions about school supplies should contact their child's school office.
