Committees of the Board

Temporary committees of the board may be formed for fact-finding and study, the members to be appointed by the president. The duties and responsibilities of the committee and a tentative calendar for completion of its work shall be established at the time of each committee's creation. The committee will be considered dissolved upon submission of a final report.

When any standing committee is formed, with members appointed by the president, its duties and responsibilities shall be determined by the board prior to the beginning of its work. Any standing committee will be considered dissolved after each twelve months of its existence unless specifically authorized for continuance by a vote of the board.

When advisory committees are formed by the board, one board member may serve as an ex-officio member of the committee by appointment by the board president.
