Student activities are a vital part of the total educational program and shall be used as a means of developing wholesome attitudes and good human relations as well as knowledge and skills.

A parent or guardian may request that a student from the family be excused from certain types of school sponsored student activities for religious or physical reasons. The administration will consider the request in terms of the welfare of all students as well as the individual.

All student activities shall be carried on under the authority of the board of education and its delegated administrators. Residual funds donated by private donors in support of student organizations that have become inactive shall be reallocated equitably to the balance of active student activity accounts, consistent with Title IX, unless otherwise restricted by the original donor.
