Student Expression

STUDENT FREEDOM OF EXPRESSION

The non-disruptive expression of opinions by students in the public schools is protected by the free-speech guarantees of the United States and New Mexico Constitutions. However, a person's right of expression may be limited when, because of the time, place or manner of the speech or expressive conduct, it interferes with the schools' compelling interest in maintaining school programs which further its educational responsibilities without disruption.

Education is founded on the process of inquiry and analysis, of acquiring and imparting knowledge, and of exchanging ideas. Therefore, students have the right to express opinions, to take stands, and to support causes, publicly and privately. There should be no interference in the schools with these liberties, except as provided below.

School authorities shall prohibit the distribution of material which is obscene according to current legal definitions, which is libelous, which endorse actions endangering the health and safety of students or staff; which advocate imminent lawless or disruptive action and are like to incite or produce such actions; which cause physical disruption to the orderly operations of the school; which contains content that violates other RRPS policies, including but not limited to policies 322, 336, 338 and 346, or which would violate the intellectual property rights, privacy rights or other rights of another person.

For purposes of this policy, “distribution” means the circulation of more than ten (10) printed copies of material from a source other than the District.

   School authorities may restrict the use of certain bulletin boards to school announcements. Bulletin board space at school sites shall be provided for the use of students and student organizations, including a reasonable area for notices relating to the date and location of activities of student groups. The following general limitations on posting may be applied:

   a. The material shall include the name of the students or student group sponsoring the posting or distribution.

   b. The school shall require that notices or other communications be dated before posting and that such material be removed after a prescribed reasonable time to assure full access to bulletin boards.

2. Distribution of Printed Material and Circulation of Petitions.

   Students shall be free to distribute handbills, leaflets, and other printed materials and to collect signatures on petitions concerning either school or out-of-school issues, whether such materials are produced within or outside the school subject to the following limitations:

c. The manner of conducting such activity shall be restricted to prevent undue levels of noise, or to prevent the use of coercion in obtaining signatures on petitions. The student or student group shall be responsible for collection and proper disposal or removal of all materials from school property after the activity to prevent littering and unsafe walking areas.

d. Any non-school sponsored literature which a student wishes to distribute or possesses to distribute will first be submitted to the Associate Superintendent, or his/her designee, for approval. Requests for approval shall include the name of the person or organization sponsoring the distribution. The Associate Superintendent/Designee may have up to three (3) days to review the material before approving or disapproving based on the foregoing criteria. If disapproved, the Associate Superintendent/Designee shall state the reasons in writing.

e. The school shall require that all printed matter and petitions distributed or circulated on school property bear the name of the sponsoring organization and/or individual, and shall also bear the schools’ stamp.

f. In case of petitions presented by students to the school authorities, students shall have the right to have their petitions considered and to receive an authoritative reply thereto.

3. Exception to Prior Review.

Prior review shall not be required for distribution of nonschool literature by District students only in the following circumstances:
