Transportation

At the elementary level, students shall be eligible for transportation to and from school if they reside at a distance of one mile or more from the school. At the middle school level, students shall be eligible for transportation to and from school if they reside at a distance of one and one-half miles or more from the school, and at the senior high level, students shall be eligible for transportation to and from school if they reside two or more miles from the school.

Students of any grade may be transported a lesser distance than that provided in this policy due to extremely hazardous walking conditions as determined by the local school board and confirmed by the State Transportation Director.

Feeder routes may be established at the discretion of the local school board and reimbursed at rates established by the New Mexico Director of Transportation.

Students riding school buses shall be under the supervision, direction and control of the driver. The driver shall report in writing all disciplinary cases to the principal concerned and when deemed necessary the principal shall report individual disciplinary cases to the superintendent of schools. Bus riding privileges can be suspended or revoked for disciplinary reasons by the school administration.
