Trips by Students

School-sponsored trips by students must have appropriate adult supervision and adult chaperones.

All school-sponsored trips that require students stay overnight must have advance approval by the superintendent for grades 9-12, and advance board approval for grades 6-8.

All school-sponsored trips that require students to travel out of the State of New Mexico require advance board approval.

All advertisements for non-school sponsored trips must be approved by the superintendent, or designee, prior to being displayed or disseminated at any school site.
