The Board of Education recognizes that money and its management constitute the foundational support of the school system and its educational programs. The Board of Education expects the operation and maintenance of school facilities and equipment to set and implement high standards of safety, to promote health of students and staff, to reflect the aspirations of the community, and to support the efforts of the staff to provide sound educational opportunities.

To ensure effective support, the Board of Education will:

1. Encourage advance planning
2. Explore all practical sources of dollar income
3. Guide the expenditure of funds in order to extract the greatest educational returns
4. Expect quality accounting and reporting procedures
5. Encourage increased and improved process efficiencies
