Operation and Maintenance of Plant

The superintendent of schools is responsible for maintaining clean, safe, and attractive school facilities and grounds. The superintendent shall keep the board of education advised of short-range and long-range needs toward this goal and shall advise the board as to appropriate sources and balances of funding from operational funds, bond issues, capital improvements funds and any applicable other state or federal funds.

A program to provide effective security for all school property, including vandalism protection, is to be developed and periodically reviewed.

It shall be the responsibility of the superintendent to ensure that the safety of students and employees is a primary consideration in the development and maintenance of school buildings, school grounds, and other facilities of the district, and in the planning and implementation of all school programs and activities. To this end, all employees, students, and patrons are encouraged to be safety conscious and to make recommendations to the administration for the enhancement of safety.
