

ADDENDUM/AMENDMENT NUMBER 6

(April 12, 2017)

RIO RANCHO PUBLIC SCHOOLS

ITB#2017-007-IT

“Purchase and Installation of R-Rate Eligible IT Equipment”

DEADLINE FOR RECEIPT OF PROPOSALS IS AS FOLLOWS:

DUE DATE: Tuesday, April 18, 2017

TIME: 10:00 AM MST

**DELIVER TO: Rio Rancho Public Schools
Purchasing Room 214
500 Laser Road NE
Rio Rancho, New Mexico 87124**

The purpose of this amendment is to extend the due date and time to **10:00 AM, Tuesday, April 18, 2017** and to provide the following points of clarification. Note, all other terms, conditions, specifications, requirements and criteria remain unchanged.

Clarification Point 1: The Bid requirements are being amended so as to require that vendors responding to Part B have at least one (1) RCDD on staff. Note, RRPS shall reserve the right to require additional RCDD support (subcontract) during installation if it becomes necessary to ensure the appropriate oversight needed to successfully complete the project within the installation schedule to be agreed upon between the successful bidder and the RRPS IT staff.

Clarification Point 2: Please be advised that the Department of Workforce Solutions has determined that the work to be performed will not be subject to a wage rate determination or the posting of wage rates.

Clarification Point 3: Also, the Martin Luther King drawing is very vague. I could not tell if one of the drops is a gym. Please let me know if this is so.

Response: The AP circled in black on the Visual RF that has been provided is the one being referenced in the gym. Depending on the circumstances, this AP might need to be mounted on the wall instead or be mounted up on the ceiling.

Clarification Point 4: The team was wondering if there is a contract number on the renewal?

Response: The contract number for our original support is listed below, but it is no longer under support so I'm not sure they can use this. We are also listing the serial numbers for the IAPs that need support.

Contract #: 480 265 27

SUPP-IAP-1YR-R SUPP-AW-ED1Y-R SUPP-CP-ED1Y-R Aruba Renewal
