

## **SAFETY TRAININGS FOR PARENTS 2017-18**

The safety of our schools is always a top priority and a joint responsibility shared by students, school, parents, and community. By working together, we can make sure our schools provide a healthy and safe environment for teaching and learning.

Tuesday, March 6:

### **Active Shooter**

*RRPS Safety and Security*

6:30 PM, Rio Rancho High School Cafeteria

301 Loma Colorado Blvd. NE

This session will provide survival techniques in the event of an active shooter. We will also touch on the importance of reporting strange or inappropriate behaviors your child or child's friends may be exhibiting. Conducted by the RRPS Safety and Security Department and the Rio Rancho Police Department.

Tuesday, March 20:

### **Suicide Prevention**

*Elesha Fetrow*

*Counselor, Eagle Ridge Middle School*

6:30 PM, RRPS Training Center  
500 Laser Rd. NE

This session is designed to help parents recognize and prevent the signs of depression that can lead to suicide, and to help parents know what to do when they recognize the signs of depression in their son or daughter. This course will also help you identify effective activities to address depression in your child, and assist with how to prioritize your efforts among different options.

Tuesday April 10:

### **Parent Rights and Responsibilities**

*Tonna Burgos*

*RRPS Executive Director of Student Services*

6:30 PM, RRPS Training Center  
500 Laser Rd. NE

This session will help you understand how Rio Rancho Public Schools works together with parents to resolve issues and help each student reach his or her full potential. We will cover processes and procedures that will help you, as a parent, know what to do when you have a question or concern about your child's school.

*No reservations required. Child care will be available (no infants, please).*
